## Customer Reviews

Everyone should read this book, especially every minority in America. This golden skinned Goddess, an avatar representative of God has so much to teach with her symbolism. Book is well written and the spiritual lessons taught are simply magnificent.

Durga ,Durga ,Durga , that's WHO. All readers and books are possible only because of her Dynamic Shakti power. All names and forms are mere parts and She is the cause of all viewers reviewing . Powerful insights for meditation on her divine articles and valuable bread crumbs for laying a trail inwards, where the three worlds come spilling out of her, OMMMMMMMM!

Beautiful!
