Electronic Equipment Maintainer(Passbooks) (Career Examination Passbooks)

Synopsis

The Electronic Equipment Maintainer Passbook® prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: installation, diagnosis, maintenance and repair of complex electronic and electrical equipment, including communications equipment; the proper use of electronic testing equipment, hand tools, and other repair equipment; principles of the electronic and electrical trades; reading and interpreting schematics and technical manuals; relevant Federal Communication Commission rules, regulations and operating procedures; safe work practices and procedures in electronic and electrical repair shops; and more.

Customer Reviews

I bought this book and other books for some upcoming tests that I'll have for my job and they are pretty good.
