Customer Reviews

To those who are aiming to the Creator, Just do it!. This is my fourth book (although it is volume II), and I am still changing my perception about life. I cannot deny that most of the time I read without understanding anything at all, but I keep reading with Faith above reason and suddenly wow I receive a bit of illumination. Those little events keep me engaged in reading the Zohar. Hopefully I need 2 years to read all 23 volumes. It is worth the effort!

great
