Creative Activities And Curriculum For Young Children (Creative Activities For Young Children)

Synopsis

CREATIVE ACTIVITIES AND CURRICULUM FOR YOUNG CHILDREN, 11th Edition, is filled with fun, creative, and easy-to implement activities for young children. You'll be encouraged to exercise your own creativity as well as learn how to help young children do the same. Hundreds of activities, up-to-date research, recipes, finger plays, information on how to select children's books, and more make this book an invaluable resource for you and others planning to work creatively with children across the curriculum. This is a book you'll want to use throughout your professional career.

Customer Reviews

The book came on time and it was in the condition stated on the website. It is for school, and just what I needed for one of my early childhood classes. And also I love how it breaks the topics down. Very informative. Thank you very much I appreciate your service.

I rented this book from for school. And im planning to buy it now. Great book and very useful.

This book was what I needed to pass my class. It was a great buy for me

Great book and its wonderful that I can RENT this book rather than buy it.

Really repeating and long in certain chapter, but great information

Fantastic book...lots of great information and activities to use!

Oh so many activities there were to choose from loved this book!

Tons of ideas across the curriculum, great for a new teacher!
