African American Literary Theory: A Reader

Synopsis

African American Literary Theory: A Reader is the first volume to document the central texts and arguments in African American literary theory from the 1920s through the present. As the volume progresses chronologically from the rise of a black aesthetic criticism, through the Blacks Arts Movement, feminism, structuralism and poststructuralism, and the rise of queer theory, it focuses on the key arguments, themes, and debates in each period. By constantly bringing attention to the larger political and cultural issues at stake in the interpretation of literary texts, the critics gathered here have contributed mightily to the prominence and popularity of African American literature in this country and abroad. African American Literary Theory provides a unique historical analysis of how these thinkers have shaped literary theory, and literature at large, and will be a indispensable text for the study of African American intellectual culture. Contributors include Sandra Adell, Michael Awkward, Houston A. Baker, Jr., Hazel V. Carby, Barbara Christian, W.E.B. DuBois, Ann duCille, Ralph Ellison, Henry Louis Gates, Jr., Addison Gayle Jr., Carolyn F. Gerald, Evelyn Hammonds, Phillip Brian Harper, Mae Gwendolyn Henderson, Stephen E. Henderson, Karla F.C. This is an excellent textbook for an undergraduate class or a graduate class that needs to quickly go through the history before getting to current works. Countless scholars and groundbreaking works.

This book was on my wish list for about two years. I wanted it because I thought it would be helpful in my academic pursuits. It is an amazing addition to my bookshelf and I am finding it extremely useful for the research paper that I am currently working on.

Overpriced textbooks will always be overpriced, unfortunately. Nothing you can do about it I suppose. The quality and condition is good.

great add to growing collection!
