Quick OverviewWhat I miss most about POTUS Campaign 2016 is the wild insight of kick-butt scandal-hurling accusations of Hunter S. Thompson. His book, *Fear and Loathing on the Campaign Trail '72* was the book that forever altered my view of politics and political campaigns. Fortunately, we have acerbic, kick-butt Cajun James Carville sharing his wit and wisdom, coupled with the sharpest insight I've come across this campaign season. Mind you, I am a bit biased - I'm a staunch democrat and have served as Hillary Clinton Precinct Caucus chair and as the North Dakota President of the Hillary Clinton Delegate Selection Committee to choose our state's delegates to the Democratic National Convention.
